

Finally, here they are. The Ten Greatest Parent/Kid combo's in Hollywood history. I can not thank you enough for all your e-mails, calls, and facebook messages. The first eight were easy, the final two were really difficult. They are in no particular order, I couldn't even put them in alphabetical order due to different last names in some cases.

- **DONALD & KEIFER SUTHERLAND...** Obviously, they have both done so much more, but without Dad, ANIMAL HOUSE never gets made and without the son, 24, one of my favorite TV shows ever would not have been the same.
- **MARTIN & CHARLIE SHEEN...** Fans are so focused on WEST WING, that they forget APOCALYPSE NOW and BADLANDS and DEAD ZONE. As for Charlie, his comic chops are excellent, but WALL STREET and PLATOON showed the cat could act.
- **HENRY & JANE FONDA...** Will be hard to top these two.
- **CARL & ROB REINER...** 2000 Year Old Man, When Harry Met Sally, the Dick Van Dyke Show, Meathead, Oceans 11, Spinal Tap, the list goes on and on.
- **KIRK & MICHAEL DOUGLAS...** The ONE FLEW OVER THE CUCKOO'S NEST connection is historical enough.
- **JERRY & BEN STILLER...** Who's funnier? The Stillers or the Reiners?
- **JANET LEIGH & JAMIE LEIGH CURTIS...** What are the chances that the two of them make arguably the greatest horror movies ever in PSYCHO & HALLOWEEN?
- **JUDY GARLAND & LIZA MINNELLI...** Minnelli makes me ill but her Mother? A true deserving Hollywood legend.

And the Hard two...

- **LLOYD & JEFF BRIDGES...** This duo is here primarily because of Jeff (His brother Beau is no slacker either), but Lloyd did immortalize the line I PICKED A BAD WEEK TO STOP HUFFING GLUE in AIRPLANE.
- **JON VOIGHT & ANGELINA JOLIE...** Can't think of one good movie she's ever made, but her Pop is one of my all time fav actors.
