

# MISS OVERLAP SHOW 2017

**Salma Hayek**, the new **Miss Overlap Show of 2017** has been crowned! Remember, the Overlap Show is a short little show which is why our Queen has to be 5'3" or under. I never thought we'd see a 50 year old woman wearing the tiara, but congrats! Thank you, Jennifer Love Hewitt for wearing the crown proudly. See you all again a year from now.
