

THE 38 MOST BEAUTIFUL WOMEN OF ALL TIME!

Whew! It's finally over. I can't tell you how many ANGRY e-mails I received over this tribute. Guys act like they OWN these babes and if they are not on this list they are not going to have a chance with her if they ever meet. LIKE THAT'S GONNA HAPPEN!!! Anyway, thanks so much for your record participation and remember there was no science to this. In the end, it all comes down to who rings your bell and who doesn't... and believe me, COUNTLESS bell ringers were left off. One more thing, virtually no women who were models and ONLY models made it. I don't read Cosmo or any of these mags and it's not like I TIVO Victoria Secret commercials.

Maybe that's a future list. Remember, there are in alphabetical, not numerical, order. HERE THEY ARE, THE GREAT 38!
